CONDITIONS OF SALE

2. **The highest bidder** shall be the buyer, and if any dispute arise between two or more bidders, the auctioneer shall either decide the same or put up for re-sale the lot so in dispute.

3. **Payment** shall be made of all or such part of the purchase money as may be required, and the names and addresses of the purchasers shall be given immediately on the sale of every lot, in default of which the lot so purchased shall be immediately put up again and re-sold.

Payment of that part of the purchase money not made at the time of sale, shall be made within ten days thereafter, in default of which the undersigned may either continue to hold the lots at the risk of the purchaser and take such action as may be necessary for the enforcement of the sale, or may at public or private sale, and without other than this notice, re-sell the lots for the benefit of such purchaser, and the deficiency (if any) arising from such re-sale, shall be a charge against such purchaser.

4. **Delivery** of any purchase will be made only upon payment of the total amount due for all purchases at the sale.

5. **Shipping**, boxing or wrapping of purchases is a business in which the undersigned is in no wise engaged, and will not be performed by it for purchasers. The undersigned will, however, afford to purchasers every facility for employing at current and reasonable rates carriers and packers; doing so, however, without any assumption of responsibility on its part for the acts and charges of the parties engaged for such service.

6. **Storage** of any purchase shall be at the sole risk of the purchaser. Title passes upon the fall of the auctioneer's hammer, and thereafter, while the undersigned will exercise due caution in caring for and delivering such purchase, it will not hold itself responsible if such purchase be lost, stolen, damaged or destroyed.

Storage charges will be made upon all purchases not removed within ten days from the date of the sale thereof.

7. **Guarantee** is not made either by the owner or the undersigned of the correctness of the description, genuineness or authenticity of any lot, and no sale will be set aside on account of any incorrectness, error of cataloguing, or any imperfection not noted. Every lot is on public exhibition one or more days prior to its sale, after which it is sold "as is" and without recourse.

The undersigned exercises great care to catalogue every lot correctly, and will give consideration to the opinion of any trustworthy expert to the effect that any lot has been incorrectly catalogued, and, in its judgment, may either sell the lot as catalogued or make mention of the opinion of such expert who thereby would become responsible for such damage as might result were his opinion without proper foundation.

SPECIAL NOTICE

Buying or bidding by the undersigned for responsible parties on orders transmitted to it by mail, telegraph or telephone, will be faithfully attended to without charge or commission. Any purchase so made will be subject to the above Conditions of Sale, which cannot in any manner be modified. The undersigned, however, in the event of making a purchase of a lot consisting of one or more books for a purchaser who has not, through himself or his agent, been present at the exhibition or sale, will permit such lot to be returned within ten days from the date of sale, and the purchase money will be returned, if the lot in any material manner differs from its catalogue description.

Orders for execution by the undersigned should be written and given with such plainness as to leave no room for misunderstanding. If the one transmitting the order is unknown to us, a deposit should be sent or reference submitted. Shipping directions should also be given.

Priced copies of the catalogue of any sale, or any session thereof, will be furnished at a reasonable charge.
